Reducing socket 6911

- Dezincification resistant brass
- Female thread G⅜ – G3 × female thread G¼ – G2½

Description
Metal pipe section.

Field of application
Drinking water.

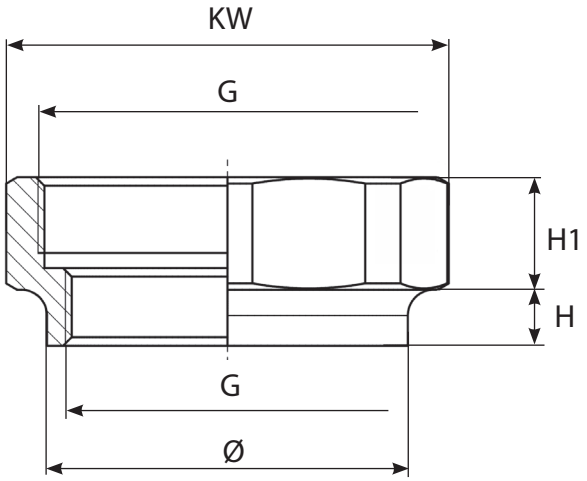
Construction
Reducing socket in dezincification resistant brass, connects with cylindrical female thread and reducing, cylindrical female thread.

Pressure and temperature
Maximum working pressure: 16 bar
Maximum working temperature: +185°C

Care and maintenance
Pipe sections are normally maintenance-free.

Material specifications

Body	Dezincification resistant brass



Subject to technical changes and corrections without notice.
